# LINGERIE FRANÇAISE EXHIBITION 2013

## XIX - XXI<sup>e</sup> CENTURY

The history of French lingerie from the nineteenth century up until the present day.

Berlin is being seduced: Discover the fascinating world of French Lingerie at the Quartier 206! Eleven French lingerie companies have opened their archives and showcase their treasures. More than 150 exhibits provide a breathtaking retrospective

of French lingerie from the late nineteenth century up until the present day. Works of photography and film provide a unique insight into the changing female silhouette, culminating in a "historical strip-tease".
